

2013 NONCLINICAL BIOSTATISTICS CONFERENCE

Villanova (USA), 15-17 October 2013

The third U.S. conference dedicated entirely to nonclinical biostatistics topics will take place October 15 - 17, 2013, at the Connelly Center on the campus of Villanova University. Members of the nonclinical/preclinical Statistics community are invited to submit proposals for presentations and posters discussing significant scientific and regulatory issues. Attendees will have ample opportunity to network, share experiences and discuss current scientific issues with colleagues and leaders in the field. The Biopharm section of the American Statistical Association is a contributing sponsor of the conference.

Abstract submission and registration is through the conference website www.ncb2013.org.

Contributed presentation abstract/poster submission cutoff date is June 10, 2013.

Program

Keynote Speaker

Douglas Throckmorton MD, Deputy Director, CDER, FDA

Featured Speaker

Marie Davidian PhD (ASA President), North Carolina State University

Choice of half-day short course:

- Strategies for Accelerating Formulation Development (Ron Snee, Snee Associates)
- Applied Bayesian Statistics for Non-Clinical Areas: From Theory to Examples with Programming (Bruno Boulanger, Arlenda).
